

HAND-IN-HAND INITIATIVE

Hand-in-Hand Initiative is the Mercy Ministry services of Candlelighters International.

Finding Pleasure In Your Smile!

Why the Hand-in-Hand Initiative (HiHI)?

Most people live in a way that tends to portray the image of “I don’t need anyone”. This is particularly true in the developed world. People have several types of insurances, even including their funeral and burial rites. In these so-called “rich” countries, between their birth and their death, most people have more than their daily needs and almost all what they feel they want. As such, there is a temptation for people to relate with others only for momentary pleasures in a self-centered fashion. As a matter of reality, we all know that there is an order to what we need. Our greatest needs are not usually our immediate needs.

Moreso, as social beings we can’t underestimate the power of our social links and relationships. These links and relationships cannot be insured in the sense presented by the insurance businesses. Such links can only be cultivated and nurtured. As such, most people who fail to cultivate or nurture resilient links with others usually fall deeper into the cracks of society’s unforgiving pits; particularly when life’s challenges come knocking at their doors. Hand-in-Hand Initiative attempts to give such people a second chance to make it right. It is obvious that we all like to be around persons who are kind to us, who show they are interested in our lives, and who demonstrate some interest in helping us. Through the Hand-in-Hand Initiative, the love of God keeps compelling us to come alongside challenged persons, hand-in-hand, proactively confronting poverty, pain and suffering that is keeping them from enjoying a healthy living in the joy of the Holy Ghost. Come and join us!

The greatest need of every human being is to be reconciled to God through faith in Christ.

Objective

The objective of the Hand-in-Hand Initiative (HiHI) is to help people with practical needs, as a way of demonstrating to our communities the love of God revealed through Jesus the Christ. The Initiative strives to bring hope and support to the hurting and suffering in a fashion that could bring them hand-in-hand through their challenges.

About Candlelighters International

Candlelighters International (CI) is a non-denominational Christian ministry having as its main function to equip people with the true understanding of the Christian faith and practice. CI operates as a Christian Resource Centre, which pays particular attention in the development of local Christian community ministries outside the four walls of the local church. We think globally and act locally. CI is neither a Church nor a denomination, but a fellowship of believers whom in the power of the Holy Spirit are committed to promoting and sharing the truth revealed and demonstrated by the life of Jesus the Christ. CI is a network of believers, pulling together our resources (talents, skills, callings, ministries, finances, etc.) for the general service of the Body of Christ and our local communities.
